No. 30

Dated 22/4/24

Subject: School Building Safety Certificate.

Ref: Your School's letter No 2024-25/1111 date 19.04.2024

With the reference of above letter keeping in view the counter-request received by you regarding the above subject and reference the undersigned has inspected your school's building and found your school's building to be safe. School building safety certificate for the year 2024-25 (31.03.2025) is issued with the following condition.

- 1 If any addition or extension and renovation is done in the school building after obtaining the building safety certificate, it should be done under the supervision of the technical guide/qualified Engineer and the certificate will have to be obtained again after the completion of the ongoing work in the school.
- 5 If the school building is affected by flood or if any walls/foundation sagging then the school management will be bound to make immediate arrangements to check the stability and safety of the school building.
- 3 This Building Safety Certificate cannot be used for the purpose of any court case.
- 4 If School authority make any change in School building, the authority will inform PWD (B&R) to visit the site.
